

“BRUSH-UP” DAG MED MARIA AARTS JYLLAND

Dear Marte Meo Professionals,
So many new developments within Marte meo International Network !
I got so many requests from Denmark to do a Marte Meo brush up day !

First Part:

At that day I will show you the newest Marte Meo developments within the new countries such as Australia, my work with the aboriginals (we did win in Australia the innovative health price)

New professional fields, such as

- the circle of love projects for the relatives from people with dementia.
- The parents invitation program, we invite the parents of children in daycare and institutions with a delay in the development not be sharing with them the problems, but sharing with them the opportunities for developmental support in daily interaction moments.
- The therapeutical review with children from the age of 8 years and older
- The Marte Meo communication skill training
- The Marte meo couple support Program

Second part:

You can bring in films with your own questions about special cases.

With the films you bring in we will go one more time through the most important Marte Meo

Information

Refresh the developed Marte meo information about supporting development in daily interaction moments

Reading the developmental message behind the problem behaviour of a child/client.

When, What, Why Marte Meo advise system, to be able to keep better on track in the review sessions

Kind regards
Maria Aarts
